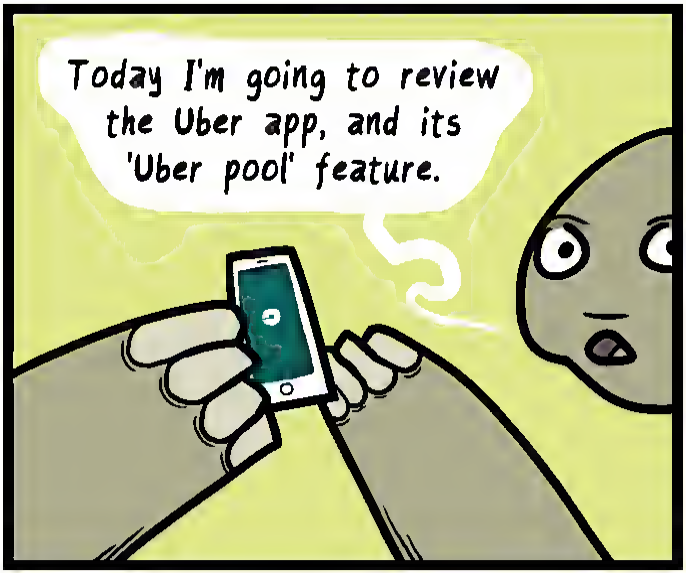
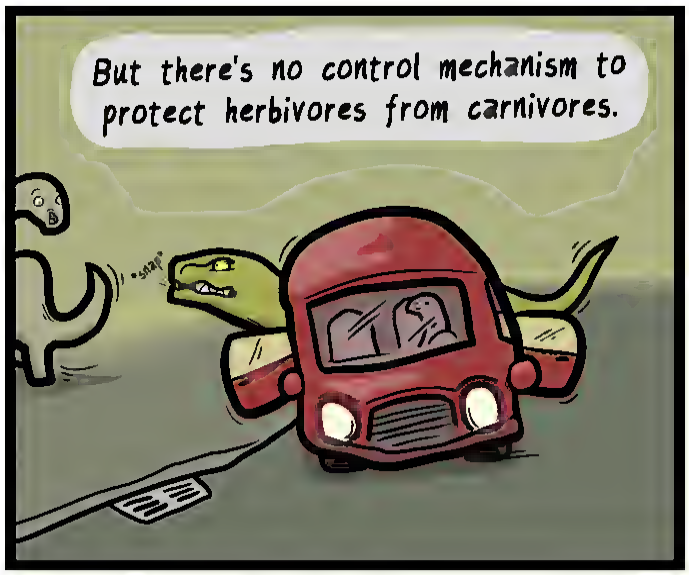
Dino-reviews: Uber Pool



Today I'm going to review the Uber app, and its 'Uber pool' feature.

Uber is an app that matches dinosaurs needing a ride with dino-drivers willing to give a ride.
Are you Rex?
I am.
Okay. I've got another passenger.

Uber pool allows a dino-driver to pick up multiple passengers traveling in the same direction.
Hello.



But there's no control mechanism to protect herbivores from carnivores.
snap!

2 stars.
